## SENSIBLE OBSERVATIONS

1) When I die, I want to die like my grandfather--who died peacefully in his sleep. Not screaming like all the passengers in his car."

--Author Unknown

2) Advice for the day: If you have a lot of tension and you get a headache, do what it says on the aspirin bottle: "Take two aspirin" and "Keep away from children."

--Author Unknown

3) "Oh, you hate your job? Why didn't you say so? There's a support group for that. It's called EVERYBODY, and they meet at the bar."

--Drew Carey

4) "The problem with the designated driver program, it's not a desirable job, but if you ever get sucked into doing it, have fun with it. At the end of the night, drop them off at the wrong house."

--Jeff Foxworthy

This is meeting #23 of 48 meetings for the year . . .
